

Austen on Film *Discovering Austen*

TV and film adaptations of Austen's novels abound. Here are some of my favorites.

Pride & Prejudice (1995) Starring Colin Firth and Jennifer Ehle. Widely popular for good reason.

Emma (1995 & 2009) 1995 stars a young Kate Beckinsale and is adapted by Andrew Davies the same as *P&P*. 2009 has a great Mr. Knightley.

Sense & Sensibility (2008 & 1995) The 2008 version is a longer TV miniseries. 1995 stars Emma Thompson and Kate Winslet.

Northanger Abbey (2007) Starring Felicity Jones. Cuts out some of the humorous quirks of the secondary characters but does a good job of showing the heroine's obsession with Gothic novels.
